The Regional Student Industrial Competitions were held at Delta College on March 10th 1973. Carl Raymond built a partial storage shed to edge out a fellow Tri-C student from Bridgeport.

State competition at Central Michigan will be held at Central Michigan University, April 7, 1973. Good luck to Dennis and Carl.

The existence of an all girl's track team took some doing on the part of many concerned, interested individuals. This year the sport was not classified as competitive, but rather as recreational. One scrimmage against Montrose was held and several of the Birch Run girls managed to place in their particular events. Peggy Jacobs took a first in shotput competition. The interest shown and the effort put forth by the girls proves the need for a girl's sports program at Birch Run.

The team wants to give special thanks to Miss Bender, Non-Varsity Sports Association, and the Athletic Board for making the team possible. They hope to have an even greater opportunity to compete in the sports world next year.
